

FREE PATTERN

Free Crochet Coasters Pattern for Beginners

A quick round coaster using the same magic ring technique from our beanie pattern, sized down to fit a mug.

Updated 2026 · US terms · Makes a set of 4, about 4in / 10cm each

These coasters are a small flat circle worked in rounds, using the same increase logic as our [beanie pattern](#) crown — just stopped much earlier. Each one takes about 15 minutes once you're comfortable with the stitch, making a set of four a single-evening project.

MATERIALS

- 1 skein worsted-weight cotton yarn (about 60–80 yards for a set of 4)
- 4.5mm (US size 7) crochet hook
- Stitch marker, to track the start of each round
- Scissors
- Yarn needle, for weaving in ends

ABBREVIATIONS (US TERMS)

ABBR .	MEANS
sc	Single crochet
st(s)	Stitch(es)
inc	2 sc in same stitch (increase)
rnd(s)	Round(s)

See our [abbreviations glossary](#) for the full list including UK terms.

Assorted crochet notions and thread for finishing coasters

GAUGE

14 sc and 16 rows measures about 4in / 10cm square with a 4.5mm hook and worsted cotton. Gauge isn't critical here — a coaster a little larger or smaller still works fine under a mug.

NOTES

- Written in US terms, worked in a continuous spiral — same technique as our [beanie pattern](#). Use a stitch marker to track round starts.

- Makes one coaster; repeat 3 more times for a set of four.
- Cotton yarn is recommended over acrylic since it absorbs moisture better under a cold or warm drink.

Pattern (make 4)

ROUND 1

Make a magic ring, 6 sc into ring, place marker. (6 sts)

ROUND 2

Inc in every st around. (12 sts)

ROUND 3

[sc 1, inc] around. (18 sts)

ROUND 4

[sc 2, inc] around. (24 sts)

ROUND 5

[sc 3, inc] around. (30 sts)

ROUND 6: EDGE

Sl st into next st to close, or work one round of sc without increasing for a slightly firmer edge before closing.

FINISHING

Fasten off, leaving a 4in / 10cm tail. Weave in ends with a yarn needle. Repeat the entire pattern 3 more times for a set of four.

Frequently asked questions

What is the best yarn for crochet coasters?

Cotton worsted-weight yarn is the standard choice, since it absorbs moisture and holds its shape under a warm or cold drink, unlike acrylic which can flatten and stain more easily.

How big should a crochet coaster be?

A standard coaster measures about 4 inches (10cm) across, large enough for most mugs and glasses without extending far past the base of the cup.

How much yarn do I need for a set of coasters?

A set of four coasters uses roughly 60-80 yards of worsted-weight cotton yarn total, comfortably within a single skein with plenty left over.
