Free Crochet Wine Bottle Cover Pattern for Beginners

A reusable, handmade gift topper built from the same increase-and-decrease shaping as our amigurumi patterns, sized for a full bottle.

Updated 2026 • US terms • Fits a standard 750ml bottle

This cover uses the same flat-circle-then-straight-rounds shaping as our [coasters pattern](#) and [plant hanger pattern](#), then narrows at the top with a few decrease rounds to hug the neck of the bottle. A quick, reusable alternative to paper gift wrap.

- 1 skein worsted-weight yarn (about 60–80 yards)
- 5.0mm (US size H) crochet hook
- Stitch marker, to track the start of each round
- Scissors

 Crochet hook with yarn mid-project

GAUGE

14 sc and 16 rows measures about 4in / 10cm square with a 5.0mm hook and worsted yarn. Gauge affects fit here — check the base circle against the bottom of your bottle before continuing to the sides.

NOTES

- Written in US terms, worked in a continuous spiral — use a stitch marker to track round starts, same technique as our [plant hanger pattern](#).

- Sized for a standard 750ml wine bottle; add a round or two to the body for a champagne bottle.
- The neck decreases are what let the cover hug the bottle rather than slide off.
